Policy Statement on Environmental Protection, Hazardous Substances, Waste and Emissions, and Use of Energy and Natural Resources

CHILLON TRADING LIMITED is committed to effective environmental performance in its office operations and will focus on the following initiatives, in accordance with applicable Hong Kong environmental legislation and RJC Code of Practices (COP) 2024 Provisions 25 (Environmental Management), 26 (Hazardous Substances), 27 (Wastes and Emissions), and 28 (Use of Natural Resources):

Legal compliance. CHILLON TRADING LIMITED will conduct business in an environmentally responsible manner and comply with all applicable environmental laws and regulations, including the Waste Disposal Ordinance (Cap. 354) and its subsidiary Waste Disposal (Chemical Waste) (General) Regulation where relevant, and the Air Pollution Control Ordinance (Cap. 311).

Environmental review. The environmental impact of the Company's operations will be assessed and reviewed periodically to identify significant risks and mitigate or eliminate adverse impacts, with findings used to establish environmental management controls appropriate to an office-based business.

Waste management. Disposal procedures for waste generated will be clearly defined, communicated to staff, and practised in line with the Waste Disposal Ordinance and its subsidiary regulations. Chemical waste, where generated, will be handled by a licensed waste collector.

Hazardous substances. Where any hazardous substances are present on-site, an inventory will be maintained, and their use, storage, and disposal will comply with applicable law. CHILLON TRADING LIMITED will not manufacture, trade in, or use chemicals prohibited by applicable law or subject to international bans, and will seek safer alternatives wherever feasible.

Energy and natural resource efficiency. CHILLON TRADING LIMITED will promote the efficient use of energy, water, paper, and other natural resources to minimise waste generation, including through recycling programmes, pollution prevention, and energy-efficient office practices consistent with the Buildings Energy Efficiency Ordinance (Cap. 610) where applicable to its premises.

Employee awareness. The Company will improve employee environmental awareness and performance through periodic training and internal communication on environmental responsibilities.

Continual improvement. CHILLON TRADING LIMITED is committed to a continual improvement process in environmental management, including at least an annual documented review of this policy and its supporting practices to assess effectiveness and address any gaps identified.

CHILLON TRADING LIMITED.
