Policy Statement of Product Security

CHILLON TRADING LIMITED is committed to establishing and implementing product security measures within its premises and during shipments, to protect against product theft, damage, or substitution, in accordance with RJC Code of Practices (COP) 2024 Provision 13 (Security) and applicable Hong Kong law.

A. Product security measures. CHILLON TRADING LIMITED assesses security risks to its premises, shipments, and events (such as exhibitions or trade shows) and implements appropriate measures, including access controls, secure storage, and shipment/transport procedures, to protect products against theft, damage, or substitution.

B. Priority on people. The security and well-being of employees, visitors, and other relevant business partners is prioritised when establishing and operating product security measures, and such measures shall not compromise the safety or dignity of any individual.

C. Respect for human rights. All security personnel engaged by, or on behalf of, CHILLON TRADING LIMITED shall respect the human rights and dignity of all persons, and shall use force only when strictly necessary and to the minimum extent proportionate to the threat.

D. Training and oversight. Personnel with security-related responsibilities will be made aware of, and trained in, this policy and the Company's expectations regarding respectful and lawful conduct.

CHILLON TRADING LIMITED.
